5 C's of Spiritual Growth
COMMUNICATION
“Let's Talk”

Intro: Effective communication skills can be developed and experienced when our mouths are full of God's wisdom. A good word spoken by someone can lift up another person who is suffering. In other words, good communication involves being aware of the struggles of others and helping to ease their pain. The Lord wants us to build each other up, speaking words of life and affirmation over one another, and bad communication will never accomplish that.

1. Let's Talk to God Daily (*Talk Together*)

- Relationship is about being connected with someone. Psalm 85:8
- A healthy relationship has effective communication. John 10:27
- We talk to God through our prayers. John 14:26
- We must talk to God through our **ACTS**.
 - **Adoration, Confession, Thanksgiving, Supplication**

2. Let's Walk with God Daily (*Walk Together*)

- Walking with God keeps me close to Him: Psalm 23:1-3
 - Companionship, dialogue, intimacy, and a shared dominion. Proverbs 3:5-6
- God longs to walk with us, which is why His arms of Grace have been pulling you into a close walk with him. Psalm 32:8

3. Do Not Harbor Unforgiveness

- No effective communication occurs until forgiveness has taken place. James 1:19
- Holding on to past conflict prevents present communication.
- When you forgive others, do not bring up their shortcomings again. Colossians 3:13
Proverbs 21:19
