WOW – Word on Wednesday
LET'S THRIVE IN 2025
Building a Better: Body, Belief, and Behavior

Intro: As we continue our lessons on our theme for the year – Let's Thrive in '25 – tonight we will discuss foundational points for living a godly life. The way we live will determine how far we will Thrive. What we believe and practice will play out in our everyday actions and interactions. Remember, we are not just made to get by or survive. We are destined to Thrive!

1. An Orderly Life

- It's a practical life guided by God's purpose. Isaiah 32:18
- It's a life that shows goodness and decency. 1 Corinthians 14:40
- We are like a soldier who carries out orders of duty.
- Put God first in its agenda. Matthew 6:33

2. An Open Heart for Spiritual Life

- If we going to live the fullness of life, we must live with an open heart. Ezekiel 36:26
- It does not wear its feelings on its sleeves, but is transparent in its dispositions. Matthew 5:8
- An open heart seeks to encounter God daily; it hungers for the Word of God. Proverbs 3:5-6
- The heart is free from prejudice. Jeremiah 17:10

3. An Obedient Prayer Life

- Prayer drives us to holy obedience. John 15:7
- Prayer invites us into compassion.
- Prayer will not lead us into temptation. Matthew 26:41
- Prayer enables us to wage the peaceable war of God against all principalities. Ephesians 6:18
